Preserving a Shark's Hend.

When a big shark is taken on board ship, the skull is usually preserved, the flesh being removed from the bones and it is a favorite pastime with sailors to crawl one after another through the distended Jaws. It would be far from safe to do this, however, when the hend has been but freshly cut off, because under such conditions the law. came under such conditions the jaw will snap together fercely for som time afterward if anything be placed between them.

What is home without a fashion paper? Here we pick up one of these valuable journals, and this is the first item of important information which meets the inquiring eye:
"Hair is worn on the top of the head." So glad to learn it! We always supposed it was worn on the soles of the feet.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Yan Etten, N. Y. 'I have always used it in my own family both for ordinary coughs and colds and for the cough following la grippe, and find it very efficacious." For sale by M. M. Lewis druggist.
